Memo.

Owing to the re-construction of the Sri Parakala matt building at Mysore, the Palace Controller at Mysore proposes that the matt may be accommodated in the premises of the Maharaja's Sanskrit College and that the College classes be removed to the Sri Varahaswami temple. The re-construction of the Matt building will take at least a couple of years.

The Sanskrit College is a memorial institution well known throughout India as a leading Oriental College. The Varahaswami temple

building cannot meet the requirements of the College. Further, most of the students who have come from outside Mysore are now accom- -modated in the outhouses attached to the College premises. And, should the College premises be occupied by the matt, these students will be put to great hardship In these circumstances, it appears to me inexpedient to remove the College classes from the present College building.

As regards the matt, I would propose that it be accommodated either in one of the blocks of the Nanjaraj Bahadur's Chatram or in the

Sitavilas Chattrem
until the Completion
of the new matt building.

D.O. dated 20.7.99 C

The Palace Controller Rao V. N. Narasimha Ayangar stated that the Construction of the Sri Parthasaswami Matt by the Palace had been resolved upon and that it was necessary to find accommodation for the Swamis while the Matt work was on progress and requested that the Sanskrit College building might be arranged to be placed at Swamis disposal. The then Dewan Secretary asked that if the Sanskrit College were to be given, when the College would be located and when it would be wanted and enquired if there were any other buildings vacant.

D.O. dated 22.7.99 D

the Palace Controller replied that the Sanskrit College might be located in the Sri Varaha Swami's temple. The Huzur Secretary informed that it had been decided at the Command of Her Highness the Maharani Regent that Sitavilas was preferable (to Nanjaraja Bahadur's Chattram) and requested to report how far the decision had been carried out. [The Swami having perhaps preferred Nanjaraja Bahadur's chattram to Sitavilas] the Huzur Secy requested the Hon: Secretary of the Managing Committee of the Chattram, as per Dewans orders, that the Chattram might be made available for the Swami, the portions to be occupied being selected by the Palace Controller and himself. The Hon: Secretary informed that one block of the Chattram with some temporary building for the Kitchen would be enough. The Huzur Secretary ~~stated~~ wrote both to the Palace Controller and to the Hon: Secretary that two blocks might be placed at the Swamis disposal and stated (to the H. Secy) that Sitavilas would be placed at the disposal of the Committee for the accommodation of travellers that

The Hon: Secretary in submitting an estimate for repairing of the Chattram brings to notice that accommodation was found for the Swami in 1900 as per Diwan's order, that he remained there for 3 years and vacated it very recently; that the Estimate for repairing the Chattram which stood in urgent need of such repairs was sent to the Palace Controller for Comptroller's advice who (P.C) stated that he was ill

Now the question is who should bear the cost of repairing the Vanjaraja Bahadur Chattram, whether the Matt or the Palace or the Mangai Dept, or the Chattram Committee, taking into consideration the fact of the Sitavilasa Chattram having been placed at the disposal of the Committee, in lieu of the Vanja -raja Bahadur Chattram taken for the Swami's accommodation.

Subd to the dewan.

The Executive Engineer who is the Hon: Secy of the Kaijaraj Bahadur Chattram sends an estimate for Rs 1015 for repairing the Chattram. He first asked the Palace Controller to pay the cost of repairs into from Palace or Parakal Mutt funds in Consideration of the Pariatal swamy having occupied the Chattram for a period of 42 months, the rent for which period according to his Calculation amounts to Rs 5460. The Palace Controller however could not find funds and hence the present reference to Govt. I do not think that either the Palace or the Mutt is liable to pay the cost of repairs. The Sitharilas Chattram had been set apart for the Convenience of the travellers during the time the Kaijaraj Bahadur Chattram

was in the occupation of Parakal Kutti the cost of repairs should therefore be paid out of the funds at the disposal of Rajaraya - Bahadur Chattram, and the total amount available is Rs 12233. as below —

Rs 10,000 - - - In the Mysore Govt at 5 p.c per annum.

Rs 2120 Amount in the Mysore Savings Bank.

Rs 113 - - - Cash in hand.

B
(Ramakrishna)

The amount now required may therefore be taken out of the cash in hand and the Savings' Bank office.

Yes

In this connection, I beg to state that none of the committee members appointed by H. H the late Maharaja are alive —

Mr Alagandara Krishna Iyer.
Mr. P. Krishna Rao Rai Bahadur
Mr. A. R. Subbaraya Mudaliar - Do
Mr. Sowkar Veeraraghavaya
Mr. G. H. Bayley.

A new committee has therefore to be appointed and at present there is no need to nominate members of the Standing of Councillors as was done in the beginning. The building had to be constructed then and hence it seems to have been thought advisable to include the Councillors also. Beyond the

daily routine of providing accommodation for travellers and dealing with the matters connected with it there is no other important work for the Committee now and I therefore propose the following names for the President

1. The Dy. Commissioner of Mysore ex-officio
2. Hon. Secy
2. The Executive Engineer of Mysore ex-officio

members

3. Mr. Puttiraji Urs
4. Mr. Basavalingaiya
5. Mr. S. Krishnamurti Rao Retired Asst. Commr
6. Mr. Sowkar Bajjanna

As per order dated 26th June 1883. ~~of H. H. the late Maharaja~~, these names have been approved by H. H. the Maharaja.

The estimate for Rs 1015 may also receive the gracious sanction of His Highness as there would be much delay before the committee can come into existence and deal with the subject.

Mrs.

This is a fair number. Not more than (6) members. Hon. Secy is necessarily one of them.

accordingly issued.

The Secretary to the Chattram Fund Committee now submits for sanction an Supplemental estimate for Rs 833/- and states that the amount is required to

(1) to construct V shaped drain on all sides of the Chattram to carry away the drain and sewage water;

(2) to replace the old and worn out weather Boards in Blocks nos: 1 and 2, with new ones;

(3) to repair the Chattram doors and windows;

(4) to replace broken and worn out spouts with new ones;

and (5) to provide shutters for the several windows of the Chattram.

The Secretary to the Committee states that the cost will be met from the funds at the credit of the Committee. A draft order sanctioning the estimate is herewith submitted.

My dear Narasimhaiengar,

I am desired to inform you that the Dewan submitted to Her Highness, the question of using Maharaja's Chattram for the residence of Sri Parakala-Swami during the proposed re-construction of the Matt and that the decision thereupon arrived is.—

"(1) That it is highly inexpedient to make any such change in the use of the Maharaja's Chattram as now proposed as it is likely to be most injurious to the Sanskrit College.

(2) That for the accommodation of the Swami during the

re-construction of the matt, the Sitravilas Chattram seems in every way suitable and that in this Chattram a good drinking water well should at-once be made.

(3) That if the Swami would prefer Nanjaraj Bahadur's Chattram to Sitravilas, it would be feasible to make available for the purpose a block of the former; but it is the hope of the Government that the Swami can be made more comfortable at Sitravilas Chattram than at Nanjaraj Bahadur's, that his occupation of it would involve less public inconvenience of any

Kind and that therefore the Palace Controller should be asked to arrange at Sitravila's in preference to Nanjaraj Bahadur's Chattram, if possible in consultation with Matt Officials, making suitable arrangements for the Comfort of the Swamii and safety of Matt property."

I shall thank you to let me know as quickly as possible for information of the Dewan, particulars of how the above decision has been carried out.

Sir,

I am directed by the Dewan to request that you will be so good as to arrange, in communication with the Palace Controller, to the Ranjaraj Bahadur's Chattram being made available for the temporary accommodation of the Sri Parakala matt, as the Matt's present building is to be dismantled and re-constructed. The Dewan leaves it to you and to the Palace Controller to decide what part of the Chattram will be really wanted for the use of the Matt, and to

make the needful arrangements accordingly. In a letter recently received from the Palace Controller that Officer states that the Swami requires both the blocks of the Chattram.

2. I am to add that during such time as the Ranga-ray Bahadur's Chattram may be occupied by the Sri Para kala matt, the Committee may have the management of the Sita Vilas Chattram and use it for the accommodation of travellers in the same way as the former Chattram is now being used.

My dear Sreenivásáchárlu,

Your letter of the 22nd to hand. The classes now held in the Chatram 1st and 2nd Tottis may temporarily be transferred to the corridors of the Venkata Svámi temple, during the time that it is necessary for the Parakálasvámi to occupy the same. The temple premises are spacious, and screens may if necessary be put up while dismantling, &c, to

Keep off the rains, and wind.

If this arrangement is approved, the removal may be effected when the heating work is begun; this can be carried out on the spot by the committee.

Office of the President of the
managing Committee of
Nunjaraj Bahadur Chuttra
Mysore

Dated Mysore 19th December 1899

The above received by
his order
Secretary to
Committee of Nunjaraj Bahadur
Chuttram Mysore.

3-1-1900

The Huzarai Secretary to the
Government of Mysore

I have the honor to acknow-
ledge the receipt of your letter No. A dated
26th ultimo requesting that a portion of
the Nunjaraj Bahadur Chuttram might
be made available for the temporary
accommodation of the Sri Parakala
Mutt.

2 The Chuttram premises consists

of 3 blocks — two of which are the main ones intended for the accommodation of the travellers of the Bhramman Kshatriya Vaisya and other high class communities and the third a smaller one in which the Mohomedans and others find accommodation.-

3 A few days ago the Palace Controller and myself inspected the Chattram when the Controller remarked that one of the two main blocks would be quite sufficient for the use of the Sri Parakala mutt. Accordingly when on Friday the 15th inst:- His Holiness the Sri Parakala Swami himself personally inspected the chattram premises in company with the Palace Controller and myself, I suggested to the Swami that one of the two main blocks might be taken up for the use of the mutt and that a

a shed might be put up near the well in rear for kitchen purposes and another shed over the open inner yard between the two blocks for the accommodation of the non-Bhraman Servants. But the Swami observed that the accommodation ~~proposed~~ proposed was insufficient and that the other two blocks also were required. —One for the accommodation of his non-Bhraman Servants and the other for the Stabling of the Mutt's horses. It was represented to His Holiness that the Chattram was situated close to the Railway Station and in a central position with reference to the roads leading to Yadalore, Hunsur, Coorg, Gundulpete and other places, and being also close to the Female Hospital on the one side and to the General Hospital on the other, afforded the best accommodation to

several sick people coming to Mysore for medical treatment, and that therefore the poor travellers would be put to very great inconvenience should the Mutt take up all the three blocks of the Chatram.

4. With reference to the extent of accommodation available in the Chatram, I beg to point out that each of the two main blocks contains 16 spacious rooms besides a hall upstairs. One such block would one would naturally suppose be quite sufficient for the accommodation of the Mutt. In fact when, some years ago, the Sri Sringeri Mutt was encamped at Mysore for some months, that Mutt found sufficient accommodation in one of the main blocks; and there in addition to this block a spacious shed in rear for kitchen purposes and

and the block now used by the Moho
madans and other travellers also
given to the Sri Parakala mutt,
the additional accommodation thus
made available should be, in
my humble opinion, amply
sufficient to meet all the requirements
of the mutt.

5 In the circumstances I
propose to give to the mutt one
of the two main blocks and the
Mahomedan block above referred to,
reserving the other main block
for the use of the travellers - Accommo-
dation in this reserved block will,
for obvious reasons, be given
only to Bhramans, and travellers
of the other communities will be
accommodated in the Sitavilas
Dharmasala which the Government
have kindly offered to place under
the committee's management
as

during such time as the Sri Parakala Mutt may be accommodated in the Nungarej Baladuar Chattram. I trust that this arrangement will be considered satisfactory and approved by the Dewan.

6 Referring to the Silā vilas Dharmasala, I beg to state that I inspected the Dharmasala this morning. The flooring is much cut up and the building requires with repairs. Besides, the Dharmasala is situated in an ~~isolated~~ isolated part of the city in the vicinity of two taverns and special Police arrangements are needed not only to infuse a feeling of security in the minds of travellers seeking accommodation therein but also for the protection of such of the Chattram properties - vessels &c as

as may have to be stored up in the Dharamsala to meet the requirements of travellers. I request that the Inspector General of Police may be written to in the matter.

Sir

I have the honor to acknowledge receipt of G.O. No. 725 Mirroi dated 6th Inst: directing that of the three blocks constituting the Nanjaraj Bahadur Chutram any two that the Sri Parakala Swami might choose, might be placed at his disposal. While being ready to carry out the order, I beg to suggest that it would be well if His Holiness can be prevailed upon to choose either No. 1 or No. 2 block and No. 3. This would be very favorable

opinion, be a convenient arrangement both to himself and the travelling public. No. 3 block is well suited for the accommodation of the Non-Brahmin servants of the Dutt, and either of No. 1 or No. 2 block would afford suitable accommodation to the travelling public.

2. I take this opportunity of mentioning that the question of rent for the occupation of the Chutrams by the Dutt has not yet been considered. The rule according to which rent has been charged hitherto is 2 ℔ per room per diem for the rooms in the ground floor and 4 ℔ for each of the upstair rooms. The rent recovered according to this rule from the Dutt, will, as usual, be credited to the Chutrams fund.

while any rent which the Government might decide to impose in the use of the Sitavilas Dharmasala might be remitted to the Palace. I shall allow the Chetrams to be occupied by the merchants pending Government orders on the subject.

I have the honor to inform you that as per Dewan's orders contained in the Muzrai Secretary's letters Nos. 4 and 725 of 26th Nov: 99 and 6th January 1900, the Ranjaraj Bahadur Chattar was handed over, through Palace Controller, to Sri Parakalaswamy. His Holiness after a sojourn of nearly more than 3 years vacated the building recently.

II Immediately after inspection it was found that the building stood in need of some urgent repairs for the convenience of the travelling public that visit it and more so

for its tidiness. Accordingly the accompanying Estimate amounting to Rs 1015 for necessary and urgent repairs was prepared and sent to the Palace Controller for his countersignature. That Officer in his Nº 568 of 18 10 1903 (copy herewith) states that he does not see his way to debit the cost to Palace Budget

II Rent is being charged at 2 annas per room per diem for a room in the ground floor and 4 annas for each of the up-stair rooms. The rent recovered according to this rule credited to the Chattram Fund. No rent was paid by the Matt during His Holiness' occupation of the Chattram, nor was any repair work done to the building by the Swamy.

IV In these circumstances, the Cost of repairs is, in my humble opinion, payable by the Matt if not by the Palace. I beg therefore

to submit the Estimate for favor of such orders as you may deem proper.

Estimate of the probable cost of repairing the Ranjaraja Bahadur's Chatram at Mysore.

— Report —

The building is badly in need of white and color washing with plastering, painting to doors and windows and wood oiling. The latrine requires toring also. The accompanying estimate provides for all these necessary items of repairs — together with other sundry works, such as repairing the road and replacements of glass panes etc. The proposed repairs are absolutely necessary in the interests of sanitation of the building. As the building was under the occupation of His Holiness the Parakalaswami for the past 3 years it is solicited that the cost of repairs may be sanctioned

To be borne by the Mahout or Palace.
